Rebecca:

Thank you for your reply to Erin Pasold, president of the Kansas Gamma Chapter, regarding installation of Austin Roberts.

I discussed the situation with all of the advisors of the KS G chapter and we all agree that Austin should be installed. Last semester he completed all the requirements for membership but unfortunately, because of a simple misunderstanding, he did not attend the installation ceremony and came directly to the banquet following the ceremony.

Even though, at the present time, Austin has slipped below the academic requirement, we do feel it is appropriate to install him at our spring ceremony since he did satisfy all requirements last fall.

Thanks for your help.
